## PRODUCT NAME

YCH-AC-22

Model:AC-22

Function And Advantage Introduction

- TCP/IP agreement, with two exit and two entrance;
- 26000 users in Max;
- Anti-passback support;
- 64 groups time zone setting;
- Extend alarm time control panel;
- Wigand interface and work with our long range parking reader;
- CCTV monitor supporting
- Alarm emergency Remind of if work with JID-52/62
- Exit/entrance records event transaction view and expot10. visitor exit/entrance times limit;
- Parking access and door access applcation.

PRODUCT SPECIFACATION

Technology Parameter

Power supply	DC12V
Work current	≤ 350mA
Moeory record	100,000
Operating temp	0℃~60℃
User Limit	26000
Door Qty	2
Software	One card solution system
Database	ACCESS and SQL
Communication	TCP/IP or RS485

INSTALLATION DIAGRAM AND APPLICATION

SIZE : MM
