## PARKING LED TRAFFIC LIGHT

## PRODUCT NAME

YCH-JD112F-C

Model:JD112F-C

## PRODUCT NAME

YCH-JD112HF-C

Model:JD112HF-C

## PRODUCT SPECIFICATION

## Technology Parameter

|                  |  |
|------------------|--|
| Volitage         | 12-24VDC 120VAC 230VAC                 |
| Application      | Parking barrier gate / traffic control |
| Housing Material | PC ( UV-stabilized polycarbonate )     |
| Operating temp   | -40℃ ~ +70℃                            |
| COVer Sahpe      | Cobweb Lens                            |
| IP Grade         | Ip55                                   |
| Power Factor     | > 0.9                                  |
| Color            | Red and Green                          |
| Warranty         | 2 years                                |
| LED Type         | DIP                                    |
